

Frequently asked questions

How old does my child have to be to get a haircut? **One month and older**

Should I schedule an appointment or just walk in? **Appointments are recommended. You can walk-in but it's possible you may have to wait a bit or come back another day.**

Do you cut all types of hair? **We cut all types of hair**

How should I prepare my child for the haircut if they are scared? **Talking about it & planning ahead are key. You should watch videos or read books about what happens during a haircut & also watch an adult or sibling. Coming a few minutes early so your child can warm up also helps.**

What if I am running late for my appointment? **We try to start at the scheduled appointment time so if you are more than 5 min late we may have to reschedule but try our best to get you in.**

What's the best way to book an appointment? **Booking online is the best and fastest way to book an appointment. We get extremely busy and are unable to answer the phone right away. We do check our messages and will return calls as soon as we can**
